

Park Springs Neighborhood Association
Meeting Minutes
November 9, 2009

General meeting of the PSNA

The meeting was called to order at 7:10 PM

Kurt Neilson spoke to the group, answered questions and heard concerns about the East Metro Park pavillions use and upcoming changes to the fee structure. He will be renegotiating a new contract with the YMCA for swimming pool management and will voice our concerns about cost and water management.

Victor Hauk spoke and answered questions about his wind power generator and his progress on his own soon to be patented design.

Regular business:

Minutes from the previous meeting were passed out in print and approved.

The treasurers report was passed out in print. There were no questions.

Our position on new housing developments was discussed, that "We do not oppose development but insist that adequate infrastructure is in place first, particularly sufficient road development" .

Members were invited to participate in the upcoming November 17th County Commisioner's Meeting to hear and be heard in regard to Whisper Valley's working out who will be managing their park lands.

The motion to adjourn was made and passed at 8:45 with no further business to discuss.
