The treasurer's report was passed out and approved,

Minutes of the previous meeting were read and approved

Germaine reported from the sign committee: There is no longer a commitment from the Turnbows to donate signs. There has been no other action taken. John, Germaine, Joann, Dory, and Sharon will meet on Wednesday April 21st to further sign development.

John reported that Gemini Solar is having more difficulty than anticipated to get approval from the city of Austin. If we would like them to, Gemini will schedule to meet with us to give an update.

Suggestions for a guest speaker at the May 10 meeting were:

1. "Imagine Austin" but was dismissed because of non relatedness to our specific interests.
2. Allen motioned that Joann ask Frank Toussaint to speak on beekeeping. The motion passed with none opposed. Joann will have invited and will report to us by the weekend.
3. Vickie from the Manor Chamber of commerce. John will follow up.
4. Bluebonnet electric. John will follow up.
5. The appraisal district to speak on property taxes. Rebecca will follow up.

For the PSNA Newsletter, copy will need to be to Dory by April 20. Printing will be on the 25th or 26th. Stamping should be done Wednesday the 28th or Thursday the 29th.

Rebecca suggested polling the membership to see what speakers they'd like to hear from. She will put a blurb in the newsletter and Allen will include something in the Manor Messenger articles which will be submitted on Monday April 26th and again on May 3rd.
