

Minutes of PSNA Quarterly Meeting – Nov. 3, 2015 at TerrAdorna Event Center

Guest Speaker: Judge Bob Perkins, Former State District Judge

Topic: The History of Jose Antonio Menchaca (1800-1879). Mr. Perkins noted that a street bearing his name is misspelled. Mr. Menchaca joined the Texas revolution with Juan Seguin in a revolt against Santa Ana in 1835 and participated in the Battle of San Jacinto with Sam Houston in 1836. In 1850, he maintained a stage coach stop and post office in Hays County.

Business Meeting

1. Call to order- President Maura called the meeting to order at 7:15pm.
2. Minutes of previous meeting and membership report. Minutes of the previous meeting had been previously emailed to members.
3. Treasurer's report – Treasurer Rod reported a balance of \$3,327.39.
4. Old Business
5. New Business
 - a. Proposed asphalt plant on Old Highway 20 – Jon Beall reported on information he received from phone calls to Aergon. The company has headquarters in Tennessee and has hundreds of plants throughout the US. There has been an Aergon plant in Austin for 50 years – they ship out emulsions. He noted the proposed plant is to be located on 25 acres on the west side of the Iron House plant. Their air quality will be permitted “by rule”. Emissions will be low because they will not mix the asphalt. The hot mix will be submerged field loading. The location is in the Austin ETJ so the City of Austin has the ability to control what happens in regard to water quality. Permits have not yet been issued to start construction and no air permits have been issued by TEQC because the plant falls below the thresholds. Iron Horse is different from this plant because Iron Horse is a gravel distributor – they mix, screen and sort gravel.
 - b. How to Address Unpermitted Development in our Area – Maura
If you suspect unpermitted development, please call 311. The operator will refer you to the department to make a report. Giving the physical address will be helpful when you report the incident.
6. Welcome new member – Malcom Brown who purchased a home on Parsons Street.
7. Traffic advisory notice – The Ironman race will be conducted on Sunday, November 8 with more than 2,500 athletes who will be biking throughout our area between 9am – 1pm. Please be watchful as you travel in the Post Oaks on Sunday.
8. Adjourn – The meeting adjourned at 8:30pm.
